(12) Correspondence not on the agenda elsewhere

i. Email of 20/3/25 from Alexander Sidebottom, Senior Technician, Derbyshire County Council, Public Transport I am passing this enquiry to Alison Smith who holds the maintenance records to shelters around the Derbyshire area. It is my belief that all the shelters on the Shelter Maintenance list refer to shelters which are all in your council's ownership, and even though some are rather elderly, should be easily maintained, Shelter Maintenance hold spares for Bus Shelter Wales (now Bus Shelters Ltd), Signature and Abacus style shelters. The attached maintenance agreements for the two A617 shelters clearly state that the maintenance responsibility is to be undertaken by your council and timescales are listed in which these should be undertaken. I am aware that the current financial year end is upon us but 50% funding for shelter, electrical connection and associated groundworks (accessibility) is currently available if your council want to replace any of older bus shelters which you currently own/maintain. @Alison Smith (Place) please confirm that these 9 shelters are all owned/maintained by Pleasley PC and if there are any further shelters not on this list.

ii. Email of 31/3/25 from Alison Smith of Derbyshire County Council confirming the following bus shelters are owned by Pleasley Parish Council

1. New Houghton, B6417, Rotherham Road opp. Recreation Rd (was SN)
2. New Houghton, Rotherham Road, adj Stanton Street
3. New Houghton A617, Chesterfield Rd. Appleby House Eastbound.
4. New Houghton A617, Chesterfield Rd. Appleby House Westbound
5. Pleasley, Old Terrace
6. Pleasley, A617 under bridge, Eastbound.
7. Pleasley, A617 under bridge, Westbound (was SN)
8. Pleasley, Chesterfield Rd adj Meden Square (o/s engineering firm)
9. Pleasley, Chesterfield Rd. adj. Pit Lane
10. Pleasley, Chesterfield Rd. adj. Pit Lane

Councillors discussed this matter, and we consider that Pleasley Parish Council only own three bus shelters including the two on chesterfield rd. The chair will take this forward and feedback at a future meeting.

Chair

The following item/s for Councillors to determine if members of the public or press to be excluded from the meeting due to the following: Public Bodies (Admission to Meetings) Act 1960 Sec 1 (2) states; " A body may, by resolution, exclude the public from a meeting (whether during the whole or part of the proceedings) whenever publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted or for other special reasons stated in the resolution and arising from the nature of that business or of the proceedings; and where such a resolution is passed, this Act shall not require the meeting to be open to the public during proceedings to which the resolution applies."

(18) on 24/3/25 Clerk received correspondence from one of the current allotment tenants (who has two allotments) asking if their fees can be omitted this year due to ill health as they are not well enough to attend the allotment. Councillors to discuss this request. The Council is willing for this tenant to keep allotment in their name for 2025/26, however the council would prefer if this tenant would be prepared for someone else to be retained as tenant for this year so to help with the upkeep of these allotments. If this tenant's health doesn't improve the caretaker tenant could potentially be offered the tenancy next year. If the original tenant's health improves, they can recommence their tenancy. Clerk to send email to tenant, Chair to also contact tenant to discuss further.
